

Founding Partner Douglas Wigdor Quoted In Article Discussing Alleged Violations Of Family Medical Leave Act

March 11, 2014 • News & Press

Founding Partner at Wigdor LLP Douglas H. Wigdor was asked to give his comments in a Reuters Legal article discussing the rise in lawsuits brought under the Federal Family Medical Leave Act (FMLA). Wigdor LLP has recently seen an increase in potential cases at the firm revolving around violations of the FMLA based on women and their maternity leave.
